PR-2020-07

GIVE A BIKE. Department of Environment and Natural Resources-Environmental Management Bureau 5 (DENR-EMB 5) Regional Director, Engr. Maria Socorro A. Abu, PhD, presents the details as she launches the new program of the office, “Bike and BeCool: Give a Bike, Protect the Nature, Sustain the Future Program”, during the culminating activity of the Philippine Environment Month on June 30, 2020 at DENR 5 Gymnasium, Rawis, Legazpi City. Said program will give bikes to those less fortunate individuals who live in remote areas and do not have access to public transportation due to present situation but need to report to work to support their family. Biking provides health, social, environmental and economic benefits. This program is in collaboration/partnership with the Philippine Geothermal Production Co., Inc. and LGU Legazpi City.
