SWM DELIBERATION. DENR- Environmental Management Bureau 5 (EMB 5) provides support to the Municipalities of Pilar, Sorsogon (left photo); Jovellar, Albay (present virtually); and Presentacion, Camarines Sur (right photo) during the virtual deliberation of their 10-Year Solid Waste Management (SWM) Plan on April 26, 2022, via Microsoft Teams. The deliberating body from the National Solid Waste Management Commission (NSWMC) examined the design and details of LGUs' SWM Plans. Results and findings will be announced in succeeding days after thorough validation. The said plan will result in the improvement of the solid waste management program of the said municipalities.
